EMPOWERING
COMMUNITIES,
TRANSFORMING
BUSINESSES

Rooted in rural Kerala and woven into the fabric of marginalized communities in India for over a decade, Intia stands firm in 2024 as a beacon of business innovation and financial resilience to thousands of families. Our unwavering commitment drives transformative business strategies globally and within India.

Inspired by our vision of 'One Family, One Business,' we bridge the gap between Fortune 500 companies and small family enterprises. Pioneering in binding these diverse entities seamlessly, we aim to foster a sustained and flourishing economy in rural India.

What if...?

You have the strong and reassuring grip of a trusted business mentor and strategist who has a proven track record of transforming low turn-over businesses to marked successes.

What if...?

You have a One-stop solution for Operations support and report, stakeholder engagement, Integration of ESG and legalities, supply chain management.

What if...?

You have an industry leader who is keen to elevate your business prospects smoothly with financial and process scaling, tackling the market volatility with hybrid application of grass-root level market research and solid data-driven insights.

We, at Intia are dedicated to transforming your business visions into reality. At Intia (OPC) Private Limited, we offer a comprehensive suite of services that encompass strategic planning, risk management, and compliance. Our mission is to not only help our clients launch their business ventures but also to ensure their sustained growth and success. We are more than just a business management service company; we are a dedicated partner in the entrepreneurial journey of every Indian home we touch. We present a unique business model by developing and engaging small business nodes to SMEs and weaving them with business channels of Fortune 500 companies for sustained growth, providing comprehensive support at each stage of development. This approach has proven to be effective for businesses to thrive in today's competitive landscape.

Rooted in rural Kerala and woven into the fabric of marginalized communities in India for over a decade, Intia stands firm in 2024 as a beacon of business innovation and financial resilience to thousands of families. Our unwavering commitment drives transformative business strategies globally and within India. Inspired by our vision of 'One Family, One Business,' we bridge the gap between Fortune 500 companies and small family enterprises. Pioneering in binding these diverse entities seamlessly, we aim to foster a sustained and flourishing economy in rural India.

Our strategic expertise, combined with an in-depth understanding of the Indian market, uniquely positions us to lead and inspire a new wave of family-run businesses across the nation.

Corporate and Social responsibility:

Transforming Economically Backward Regions

Intia has played a pivotal role in elevating the living standards in economically backward rural areas of Kerala- the Surge regions. By enhancing and supporting

nano businesses to transition into SMEs, we have empowered local entrepreneurs and fostered economic growth.

Our professional business services have been instrumental in transforming these regions, creating sustainable business models, and driving community upliftment.
